2021-03-09 Step into an opulent world filled with risk, romance, and revenge and find out whether two unlikely heroes can save the world and stop corruption. For seven long years, while she was imprisoned on a debtor's ship, Amaya Chandra had one plan: to

survive. But now, survival is not enough. She has people counting on her; counting on her for protection, for leadership, for vengeance. And after escaping Moray by the skin of her teeth, she's determined to track down the man who betrayed her and her friends. Cayo Mercado has lost everything: his money, his father, his reputation. Everything except his beloved sister. But he's well on his way to losing her, too, with no way to afford the treatment for her deadly illness. In a foreign empire also being consumed by ash fever, Cayo has no choice but to join Amaya in uncovering the mystery of the counterfeit currency, the fever, and how his father was involved in their creation. But Cayo still hasn't forgiven Amaya for her earlier deception, and their complicated feelings for each other are getting harder and harder to ignore. Through glittering galas, dazzling trickery, and

thrilling heists, Cayo and Amaya will learn that the corruption in Moray goes far deeper than they know, and in the end the only people they can trust are each other.

**Bubble** Jordan Morris  
2021-07-13 Based on the smash-hit audio serial, Bubble is a hilarious high-energy graphic novel with a satirical take on the “gig economy.” Built and maintained by corporate benevolence, the city of Fairhaven is a literal bubble of safety and order (and amazing coffee) in the midst of the Brush, a harsh alien wilderness ruled by monstrous Imps and rogue bands of humans. Humans like Morgan, who’s Brush-born and Bubble-raised and fully capable of fending off an Imp attack during her morning jog. She’s got a great routine going—she has a chill day job, she recreationally kills the occasional Imp, then she takes that Imp home for her roommate and BFF, Annie, to transform into drugs as a side hustle. But cracks appear in her tidy life when one of those Imps nearly murders a delivery guy in her apartment, accidentally transforming him into a

Brush-powered mutant in the process. And when Morgan’s company launches Huntr, a gig economy app for Imp extermination, she finds herself press-ganged into kicking her stabby side job up to the next level as she battles a parade of monsters and monstrously Brush-turned citizens, from a living hipster beard to a book club hive mind.

America is a country shaped by immigration. It is estimated that as many as 4.5 million Irish arrived in America during the 1800s and early 1900s. Between 1820 and 1860, the Irish constituted over one third of all immigrants to the United States. Rather than an unimpassioned history lesson, Roberta shares the immigrant story through the eyes of of her own Irish ancestors. To really understand the Irish

experience you have to live it. Barring the invention of time travel, this is as close as you can get.

### *The Prisoner of Zenda*

Anthony Hope 2021-01-01  
A turning point in the history of European literature, 'The Prisoner of Zenda' is one such fabulous work of Anthonu Hope which inspired an entire new genre in literature - Ruritanian Romance. Published in 1894, this is an adventure novel in which the King of Ruritania is drugged on the eve of his coronation and thus, is unable to attend the ceremony. Political forces within the realm are such that, in order for the king to retain the crown, his coronation must proceed. Fortuitously, an English gentleman on holiday in Ruritania, who resembles the monarch, is persuaded to act as his political decoy in an effort to save the

unstable political situation of the interregnum.

*Why?* Rodney Marshall

2016-12-04 Father of two, David Jennings is divorced and working as a professor of literature in Singapore. Out of the blue he receives a phone call from his ex-wife, Anne. Their daughter, Kate, a promising university student, has been found dead on a bleak hillside outside Brighton. The police are convinced that she has taken her own life. The coroner's Open Verdict

encourages him to start his own, guilt-ridden investigations into her death. As Jennings journeys into his daughter's past, the harrowing mission takes us to London, Bogot and the English coastline, in a search to understand *Why?* But what if the truth is worse than not knowing?"

*Wolf's Hook* Rodney

Marshall 2015-02-22 It was a sunny Saturday lunchtime in June 1944. Most of the inhabitants of a sleepy village situated in the 'Free Zone' of war-ravaged France were sitting down to a leisurely meal. Without warning, an attachment of Das Reich soldiers (the elite force of the Nazi's Waffen-SS division) arrived. Hours later, 642 defenceless people had been massacred; their homes were smouldering ruins. From these embers emerged life-affirming stories of survival as individuals defied machine-guns, snipers, explosives and burning

buildings to escape the clutches of the deadly Wolf's Hook (the Das Reich emblem). Wolf's Hook is a factionalised account of the Das Reich attack on a hillside village. It recaptures the essence of what happened that day, using four first-person narrative strands: a waiter, a young boy, an SS soldier and a grandmother. Through their eyes we see the terrifying day unravel. Not suitable for readers under 12.

*Chandra and Tara: Genesis of Chandravansh* H. S. Singh 2017-12-29 This stunning epic-like fiction book covers a story of Chandra and Tara, whose descendants ruled India. Buddha, the son of Chandra and Tara, was a progenitor of Chandravanshi kings. Except for a few, most of the kings mentioned in the oldest book, Rigveda were their descendants. The story of Tara wife of Brihaspati who eloped with Chandra and conceived his seed to

produce progenitor of Chandravansh, who ruled India for thousands of years is interesting to the readers. Pururava, son of Buddha and Ila and the first Chandravanshi, emerged as the most powerful king at Pratisthan who protected Devas from Asuras. This is a story of courage, adventure, and the bravery of Vaivaswat Manu the creator of Aryavart, giver of social and religious law the Manusmriti, and his journey to establish the kingdoms of the Aryans to spread the Vedic culture. The authors pure intention is to present an image of prehistory in a form of a fictional story. The Puranic facts are not distorted, but the gaps are logically dramatized so that the readers develop an imagination of a branch of the Aryans world that existed after the great flood.

Blurred Boundaries Rodney Marshall 2016-11-16 In the mid-1980s, in Edinburgh, Ian Rankin was hatching a plot for a 'crime thriller' from his student digs. Knots & Crosses - like its frayed

protagonist John Rebus - was rough around the edges but marked a promising debut. More than a quarter of a century later, Rankin and Rebus have a global following. The series has been both critically acclaimed and commercially popular. Detective John Rebus is anything but conventional. The same can be said of Ian Rankin's innovative texts which take crime fiction far beyond formulaic genre, producing radical, disruptive, borderline texts. In the first ever full-length study of all twenty-one Rebus novels, Rodney Marshall argues that Rankin's fiction continues to break new ground, blurring the boundaries between traditional detective novel and modern literature. November 2016 fifth edition: now includes an exclusive eighteen page interview with Ian Rankin and a chapter on Rather Be The Devil, Rankin's new Rebus novel.

**Travelling Man: A Critical Guide** Rodney Marshall  
2015-05-20 Drawing inspiration from the private

detective and Western genres, as well as the cult 1960s series *The Fugitive*, Roger Marshall's mid-1980s drama *Travelling Man* was both critically acclaimed and commercially popular, drawing audiences of up to 13.2 million viewers. Ex-Drugs Squad detective and jailbird Alan Lomax is a fascinatingly flawed protagonist, but it is the setting of the canals and inland waterways of Britain which provide the unique charm of *Travelling Man*, offering the perfect backdrop for Lomax's nomadic quests. The canals also dictate the show's leisured pace. Avengers expert Rodney Marshall offers a critical guide to all thirteen episodes, exploring the scripts, direction, characterisation, acting and music. "One thing about quiet waterways, you can hear footsteps."

Perfect for fans of Raina Telgemeier, *Awkward*, and *All's Faire in Middle School*, this graphic novel follows a neighborhood of kids who transform ordinary cardboard into fantastical homemade costumes as they explore conflicts with friends, family, and their own identity. "A breath of fresh air, this tender and dynamic collection is a must-have." --Kirkus, Starred  
Welcome to a neighborhood of kids who transform ordinary boxes into colorful costumes, and their ordinary block into cardboard kingdom. This is the summer when sixteen kids encounter knights and rogues, robots and monsters--and their own inner demons--on one last quest before school starts again. In the *Cardboard Kingdom*, you can be anything you want to be--imagine that! The *Cardboard Kingdom* was

created, organized, and drawn by Chad Sell with writing from ten other authors: Jay Fuller, David DeMeo, Katie Schenkel, Kris Moore, Molly Muldoon, Vid Alliger, Manuel Betancourt, Michael Cole, Cloud Jacobs, and Barbara Perez Marquez. The Cardboard Kingdom affirms the power of imagination and play during the most important years of adolescent identity-searching and emotional growth. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS \* THE NEW YORK PUBLIC LIBRARY \* SCHOOL LIBRARY JOURNAL \* A TEXAS BLUEBONNET 2019-20 MASTER LIST SELECTION "There's room for everyone inside The Cardboard Kingdom, where friendship and imagination reign supreme." --Ingrid Law, New York Times bestselling author of Savvy "A timely and colorful graphic novel debut that, like its many offbeat but on-

point characters, marches to the beat of its own cardboard drum." --Tim Federle, award-winning author of Better Nate Than Ever

*Subversive Champagne*  
Rodney Marshall

2015-01-03 Subversive Champagne re-examines the 1960s cult television series, The Avengers, through a close analysis of 25 filmed episodes. The book examines how The Avengers - during the classic Emma Peel era (1964-1967) - was continually shifting the boundaries of audience expectation, defying both genre classification and viewers' traditional desire for kitchen sink drama. Subversive Champagne centres on eighteen episodes from the monochrome Peel Season 4 - widely acknowledged as the artistic pinnacle of the series. It is in this era - caught between video-tape and colour film - that The Avengers was undergoing arguably its most profound

stylistic and thematic transitions, from mild eccentricity to something genuinely experimental. The author extends his journey into the exhilarating but 'uneven' colour Season 5, adding chapters on seven more episodes, thus allowing us to explore the entire Emma Peel era.

Entertaining froth or groundbreaking art? Rediscover the most iconic show in television history.

2016-12-14 The greatest comic strip heroes of all time, united to battle a menace bazillions of light years from Earth! Ming the Merciless, conqueror of worlds, failed to claim our planet for his empire, thanks to its mightiest champions: Flash Gordon, Mandrake the Magician, Prince Valiant, Jungle Jim, and two generations of The Phantom. Their home saved, our heroes strike out upon a new daring, space-faring quest: to save one of their own from Ming's dastardly

clutches, the intrepid reporter Dale Arden! *Love Faith Death* Tara Shah  
2014-09-29 Cancer sucks, death sucks even more. But we humans don't have the power to stop either of them from messing with our lives. They enter our lives whenever and wherever they choose to. Cancer is so common that each one of us have known someone who has dealt with the disease; some of us have lost a loved one to cancer. Common does not always mean simple, and it also does not mean we know everything about it. The diagnosis of cancer, regardless of the disease's curability, is almost always nerve-racking, even for healthcare providers like the main character of this book who is a veteran nurse. This book is written in first person; the subject is a middle aged woman who had been separated from her boyfriend some thirty years ago and then after three decades when

she searches for an oncologist for treatment of an aggressive cancer that she was recently diagnosed, she finds her ex-boyfriend's name and decides to see him. That brings back the memory of their past together, and she starts going through her old diary she had written some thirty years in the past. Part of the story is set in Nepal (from the diary) and the other part is set in the USA ( this takes place after her cancer diagnosis). The main character of the story was born with 'Manglik' cosmic influencer, meaning that the planet Mars "mangal Graha" was in such position in the solar system at the time of her birth that it would have strong negative effect on her husband if she married a man who was non-Manlik (a person born at the time when the planet Mars was not in such position.) What happens next changes the lives of the main characters.

*Superhoe* Nicôle Lecky

2019-01-31 'I'm a singer-slash-rapper. I'm not the sort of girl that will be working in fucking Wetherspoons for eight pounds an hour.' Sasha Clayton is twenty-four and living with her mum, stepdad, and irritating little sister, in Plaistow, East London. She's gone from being the most popular girl at school, to spending most of her time on her own in her bedroom scrolling through social media. She may not have a job or a flat, and, admittedly her boyfriend's not answering her calls - but she's got talent and a dream. When she releases her first EP everything's going to change. Nicôle Lecky's play *Superhoe* was first staged in the Jerwood Theatre Upstairs at the Royal Court Theatre, London, in January 2019, performed by its author and directed by Jade Lewis. It was the first collaboration between Talawa Theatre Company and the Royal Court.

## **Adventure & Comic Strip**

Rodney Marshall

2013-11-05 "Even before Linda Thorson (Tara King) replaced Diana Rigg (Emma Peel) as the female co-lead in the 1960s cult television drama *The Avengers*, critics such as Barry Norman felt that the formula had already become tired and predictably formulaic. However, the King era was beset with problems of its own: the new producer was fired after just three episodes; conflict over the style of the stories and the role of the new female co-lead; episodes hastily re-worked to meet deadlines. At times it was chaotic; the King era was short-lived and *The Avengers* came to an abrupt end. Was season 6 simply a disappointing endgame? Exploring each of the thirty-three episodes, Rodney Marshall offers a reappraisal of this 'uneven' yet remarkable final season of the greatest of all television series"--Back cover.

*Run, Little Chaski!* Mariana Llanos 2021-05 In this tale set in the ancient Inka empire, Little Chaski has a big job: he is the Inka King's newest royal messenger. But on his first day things quickly start to go awry. Will Little Chaski be able to deliver the royal message on time?

### **Avengerworld - The Avengers In Our Lives**

Alan Hayes 2018-01-21 The Avengers was a revolutionary series that always playfully twisted perceptions, pushed the boundaries of its genre and defied those who wished to pigeonhole it. The team

behind The Avengers never forgot its primary objective was to entertain. And entertain it certainly did, inspiring successive generations to welcome The Avengers into their hearts. Right from its foreword by pioneering television historian Dave Rogers to its afterword by Jason Whiton of SpyVibe, Avengerworld celebrates the series, its international fandom and its fans. Over the course of more than forty essays, Avengers fans the world over relate how they first encountered the series, how they grew up with it at their sides, made friends, engaged with fandom and were inspired to do extraordinary things. Proceeds from this book will be donated to Champion Chanzige, a charity organisation that exists to improve conditions for underprivileged children at a primary school in Southern Tanzania - and helps them to do extraordinary things too.
