buying. Now the pandemic streaming boom is over (UK households reportedly cancelled 1.5 million video subscriptions in the first quarter) and the cost of living is rocketing, weve all got more time for reading and less cash for going out; a good book is surely a better use for a tenner that barely buys you a gin and tonic.

have great conversations about talent and - Cardiff and Vale ...

Appraisals are there to make your work life better. Without a clear understanding of what you are expected to achieve and where you fit into your team and the whole organisation, you will not know if you are doing a good job or doing it in the right way. The key to a successful Appraisal is when you are able to have open
